From the extract of the Inam Register it is observed that as it was found during the Inam Settlement in 1871 that the temple was in a dilapidated condition, time was given to the devotees to put it in order and that as they failed to effect the needful improvements, the cash grant of Rs 43-9-0 per annum was resumed. The aforesaid amount has since then lapsed to the State. As the temple has since been repaired, the restoration to the institution of the resumed cash grant is prayed for by the devotees and recommended by the D.C. commissioner. In some instances of the kind, the Govt. have been pleased to sanction

the restoration of such resumed grants if sanctioned, the amount will have to be added to the Inamai Budget for 1908-09

Muzrai Secretary's remarks:-

The present application is not one for a new cash grant but one for the restoration of an old resumed grant. The circumstances above described appear to justify the restoration of the grant. The file may be referred to the Financial department for opinion

N 16/6 In its financial aspect it does not seem to be a good policy to revive lapsed grants, the first the same as making a fresh grant to be a perpetual, one recurring and unless very strong reasons exist it does not seem desirable to sanction such recurring grants the performance of daily or periodical worship seems more properly a duty devolving on the local residents who resort to

the temple & ~~such~~ than a duty falling on the State. In this case the State has more than done its share by granting an inam land & the local people ought to bear the rest of the charges. Where such annual grants for ~~the~~ daily worship already exist the State has to keep up such grants, but in new cases, it seems more desirable to restrict State assistance to grants in aid for rebuilding temples. If grants for daily worship & other recurring charges are necessary they may be made for a few years till local resources develop.

Sir,

With reference to your letter No. 2386 dated 20th November '07 calling for a report on the memorial addressed to H. H. the Maharaja, by Srinivasa Char, Archak of the Sri Gopalaswami temple at Patrenahalli in the Chikballapur Taluk praying that the discontinued Cash allowance of ~~Rs~~ 3-10-4 may be revived and paid to the Institution with a view to ensure the regular performance of the Puja, I have

to submit herewith Copy of letter No 387 dated 3rd instant from the Sub. Divisional officer, Chikballapur from which it will be seen that the temple was once in the enjoyment of a Inodith allowance of ~~Rs~~ 3-10-1 per month which was discontinued so far back as 1873, as it had fallen into disrepair. The temple is endowed with an Inam Land Survey No 123, measuring 3 acres and 8 guntas. Its assessment is Rs 23/- but the quitrent payable by it is Rs 4-2-0. The land is in the possession of the Archak who is reported to have leased it out for an annual rent of Rs 45/- out of which the quitrent is paid. The Sub Divisional Officer reports that this amount is quite inadequate to meet the cost of Siparadhanam and other Charges and recommends the revival of the cash Inodith.

The grant is valid. The temple is a fine piece of structure, and is on the road from Sidlaghatta to Chikballapur. The off^g Inam Commr^r has inspected it. The outer face of the garbhagraham (holy of holies) which was covered with stones is now damaged, the slabs having fallen down, pushed from their places by the roots of an overgrowing tree. Commutation is refused. I think 1 year's time from this date should be granted, as the work is an expensive one, and the villagers refuse assistance.
